- This evening we're launching a new route touring the city's Christmas lights and telling passengers about the traditional Catalan festive traditions. The tour is in three languages and has been designed with locals and visitors in mind.

**Barcelona, 29th November 2019.-** The Barcelona Bus Turístic is launching its **Barcelona Christmas Lights Night Tour**, a new route through the streets in the centre of Barcelona decorated with Christmas lights.

We are launching this new service to tie in with this evening's Christmas lights switch-on. It will run every Friday, Saturday and Sunday evening until 4th January and take passengers on a tour of the main streets of the city decked out in Christmas lights. They will also learn about the most typical Catalan Christmas traditions from the live on-board commentary.

This new service isn't only aimed at visitors spending the festive season in Barcelona. It is also intended for locals and families who want to enjoy Christmas and the lights in their city and celebrate the festive season differently, from a new angle, on board a double-decker bus.

The Barcelona Christmas Lights Night Tour begins in Plaça de Catalunya and takes in landmarks and sights such as La Pedrera, the Casa Batlló, the Agbar Tower, the Sagrada Família, the cathedral, Passeig de Colom, Gran Via, the Paral·lel, Avinguda Diagonal, Passeig de Gràcia, Plaça d'Espanya and the Arc de Triomf.

The tour departs at 8pm on Friday, Saturday and Sunday from the Barcelona Bus Turístic stop in Plaça de Catalunya (in front of the Bar Zurich). The tour lasts about 90 minutes. A courier travels on board the bus to provide live commentary in three languages (English, Catalan and Spanish).

Places on the [Barcelona Christmas Lights Night Tour](#) are limited and we recommend booking in advance. You'll find all the information about the service on the [Barcelona Turisme](#) website and at the Turisme de Barcelona information offices. Tickets cost 15 euros for adults and 10 euros for children aged 4 to 12.
